ANTONIO J. CARRERAS COSTA

## ANTONIO J. CARRERAS COSTA

1987 – First step in the **natural stone market** in Palma de Mallorca, representing a very well known company from Valencia.

1990 – Decides to start his own business selling **Spanish and Portuguese natural stones**.

1995 – Imports best materials from **Brazil, Turkey, Egypt, India and China**. Big projects supplied to national and international customers, including hotel chains, **large construction companies and marble wholesalers**.

“*Whatever the mind can conceive and believe, it can achieve*”  
Napoleon Hill, 1955

## TECHNICAL CERTIFICATES

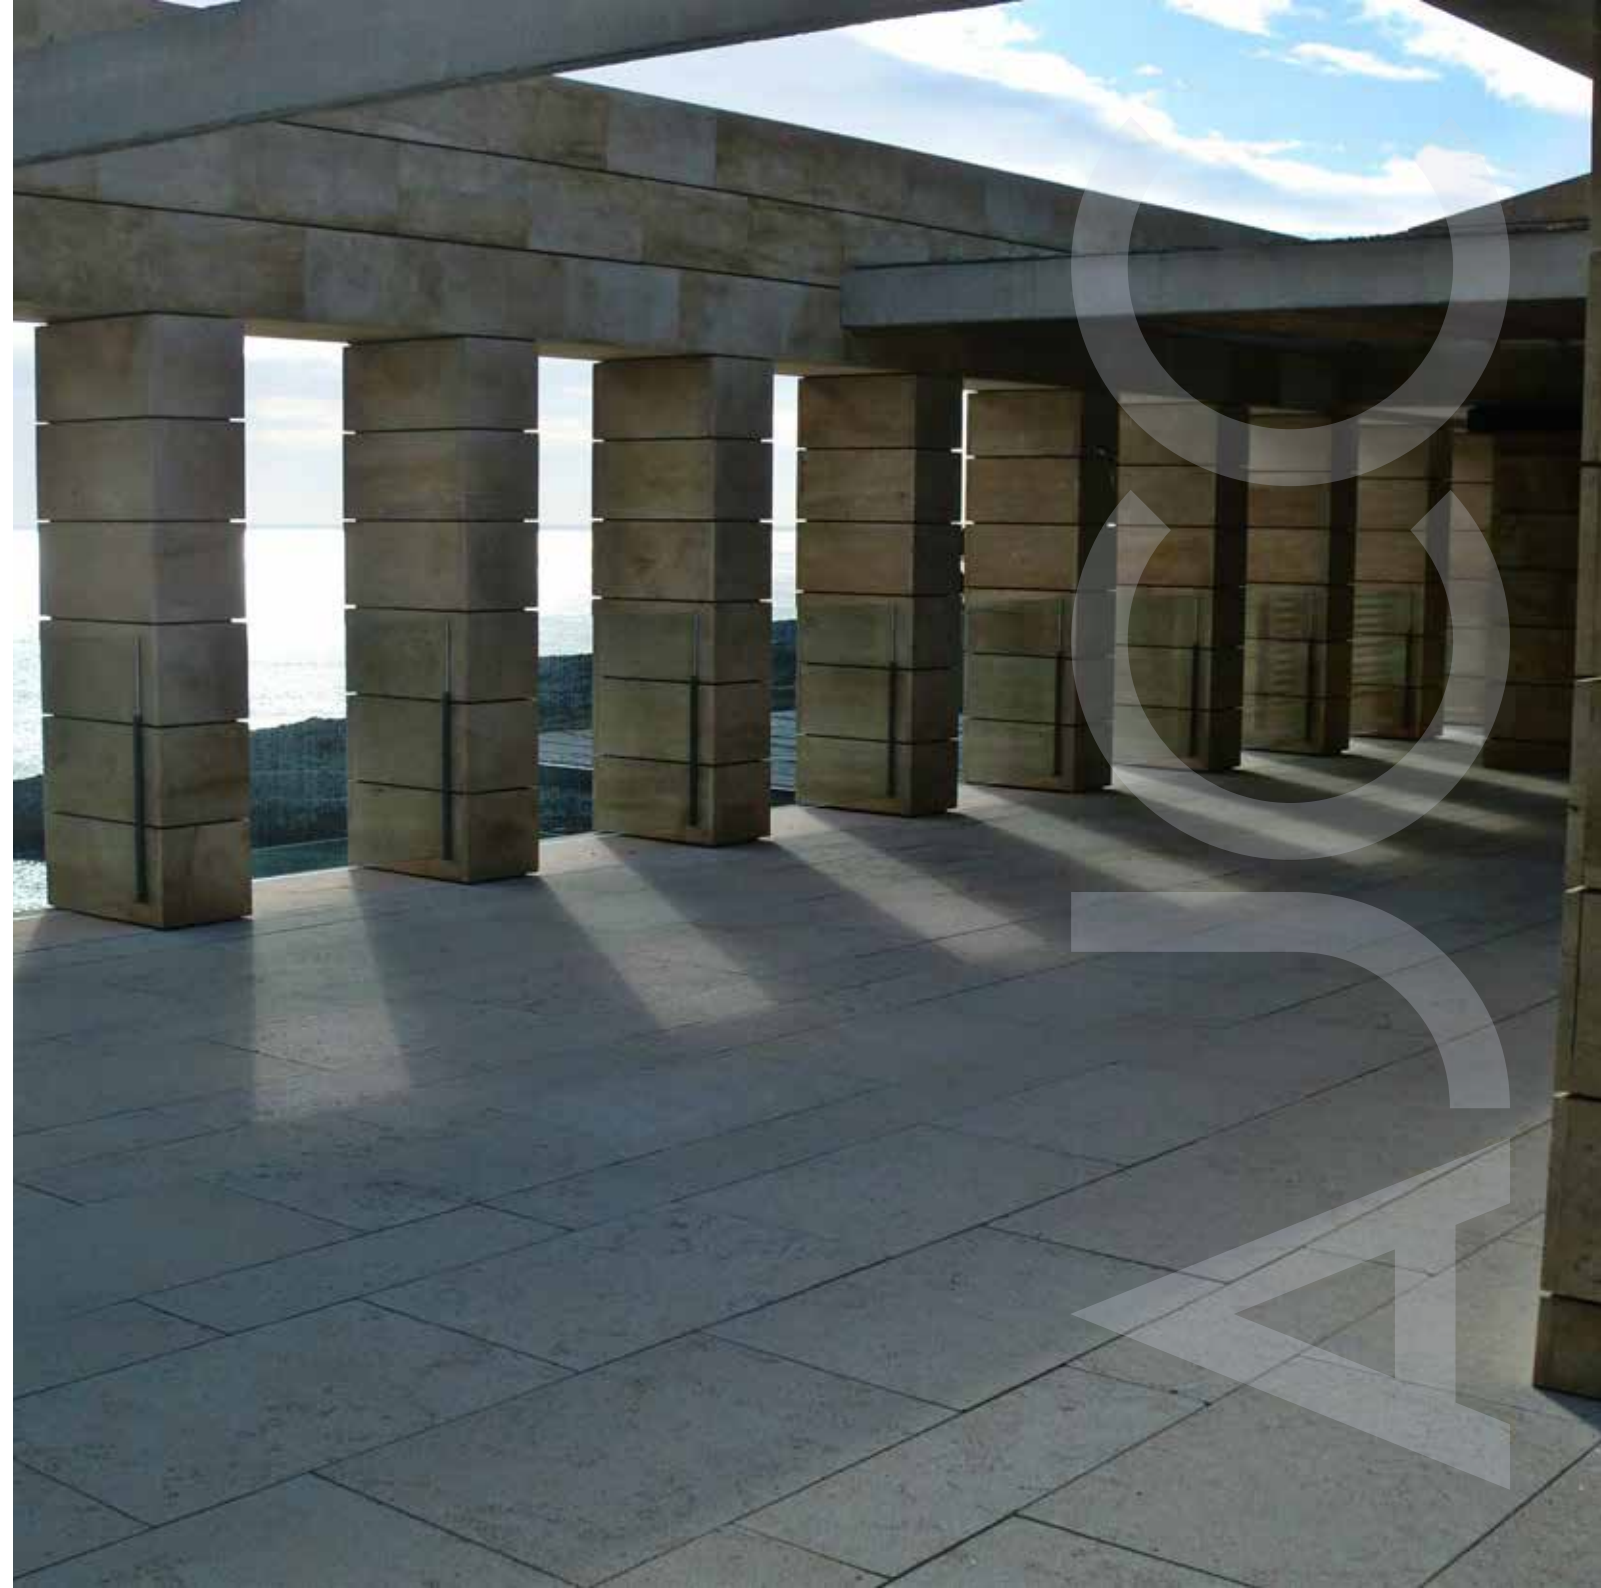

At present AJCC is **natural stone broker, consultant and Judicial Expert**. Registered with the Spanish Judicial Experts Association. **Registration number 00426**. **Offers expert advice to customers and prescribers, natural stone reports and technical assessments.**

In the past few years, various materials have gained the **CE mark**:

- **Caliza Blanca AC**
- **Levante AC**
- **Urban Gris AC**

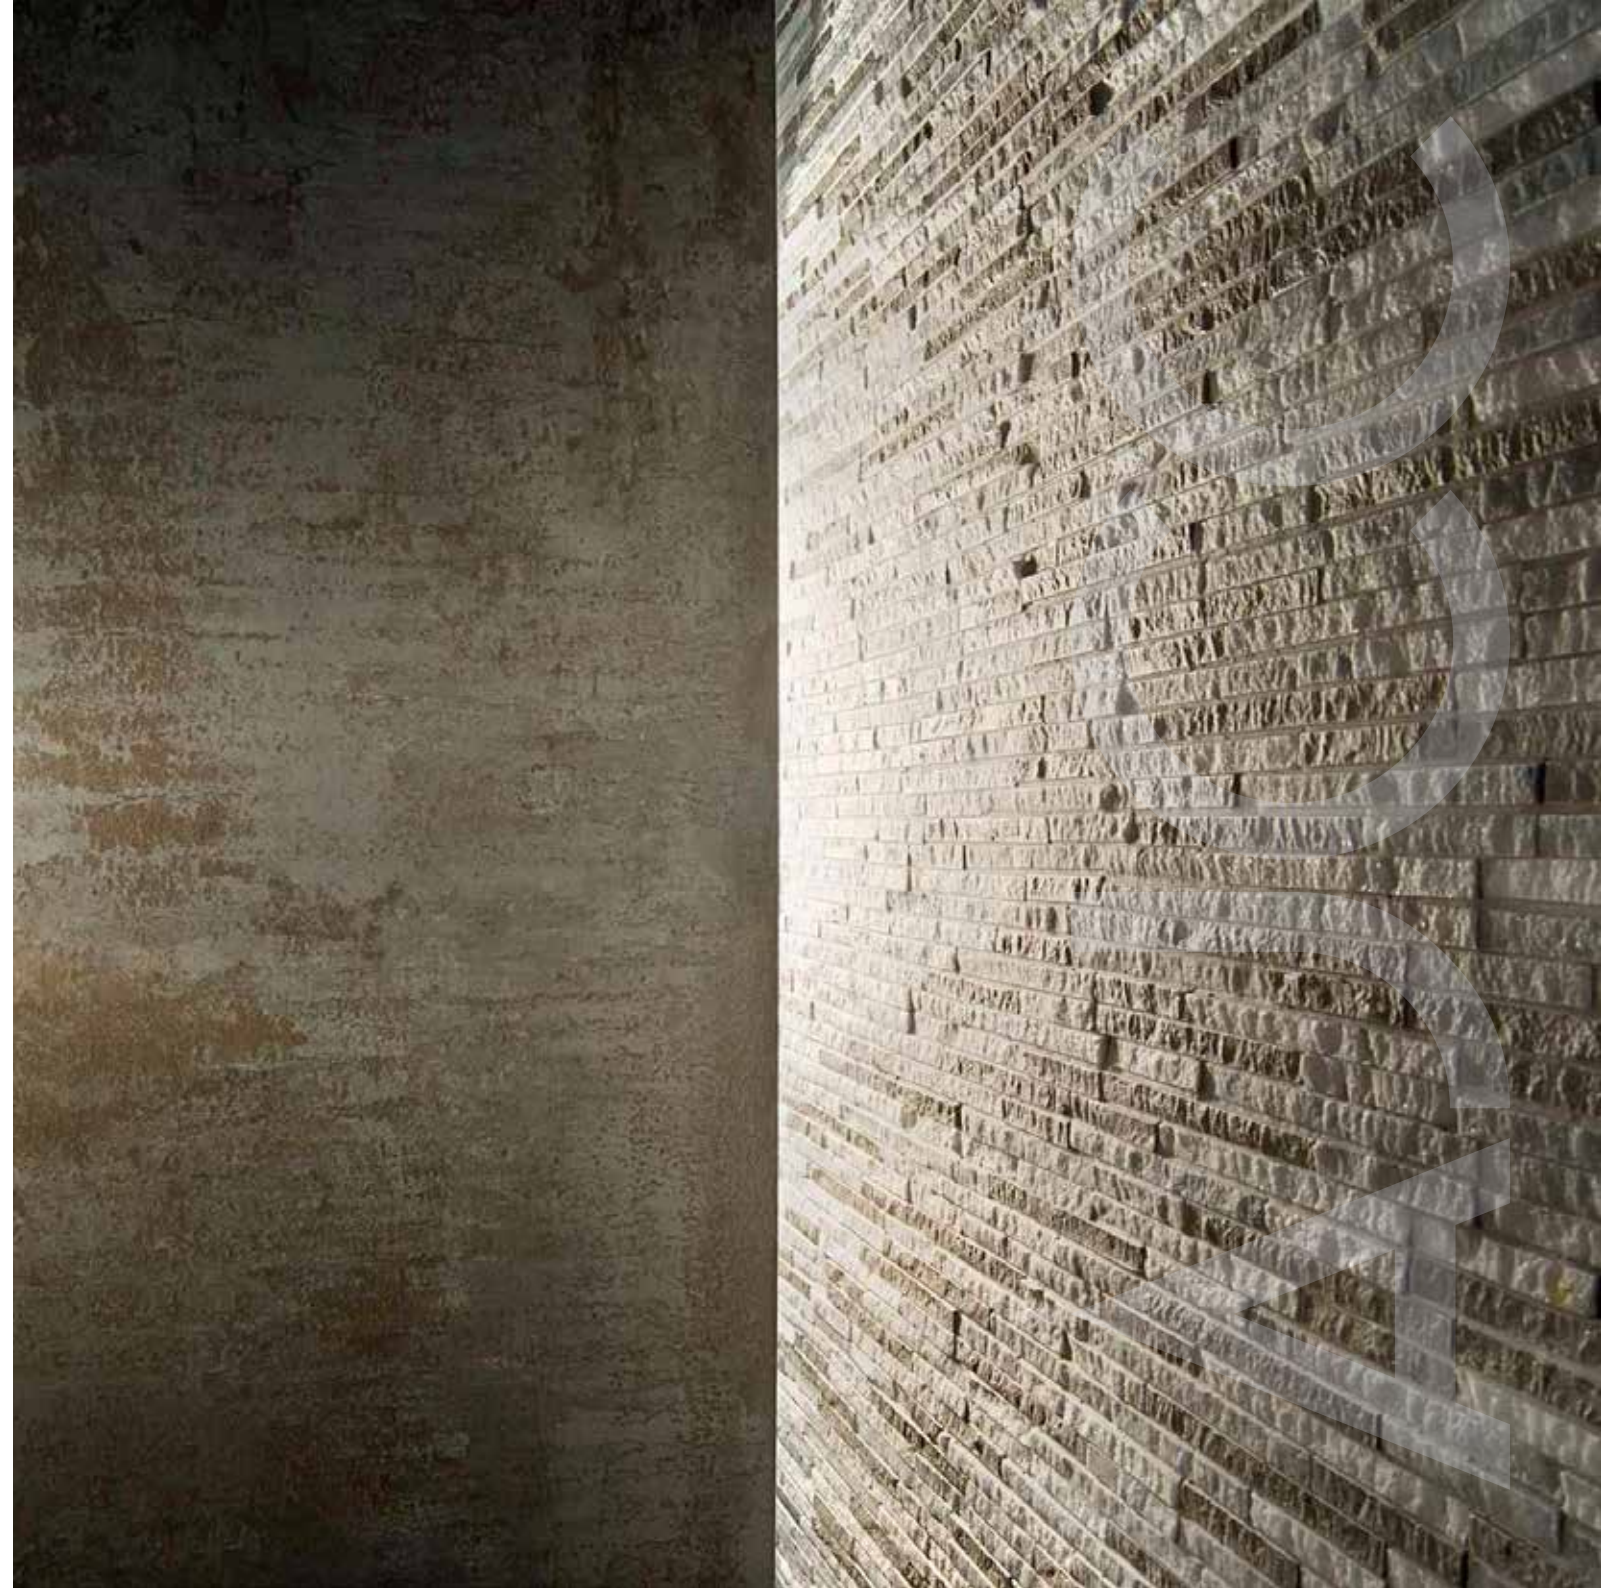

These materials comply the **legal and technical requirements** for the safety of EU member states.

## NATURAL STONE EXPERT

From ancient Greek civilization **natural stone** has been present in our lives as a symbol of **style and distinction**. Antonio J. Carreras Costa aims to provide these values to customers taking into account **their needs and the latest market trends**.

His extensive experience as a **broker** allows him to supply any kind of natural stone directly from the **best quarries around the world**. As a **consultant**, he **offers material and technical advice**.
